

APPLICANT PERSONAL STATEMENTS

Please describe your understanding of the role of a teacher and the qualities that teachers need to have in today's classroom. Please reflect on your own personal, academic and professional skills, dispositions, and experiences (teaching and learning) as you describe yourself as a prospective teacher. Please provide specific examples from your time as a learner or educator to support your thoughts. (max 500 words)

Please feel free to copy and paste into the box below if your statement has already been created in a separate document.
