

**Bachelor of Education (10-month) Program  
Faculty of Education, UNB  
Fall 2025**

**Personal Statement**

Please describe your understanding of the role of a teacher and the qualities that teachers need to have in today's classroom.

Please reflect on your own personal, academic and professional skills, dispositions, and experiences (teaching and learning) as you describe yourself as a prospective teacher.

Please provide specific examples from your time as a learner or educator to support your thoughts.

(max 500 words)

**Two Education References**

Education References:

Your choice of referee should be a professional individual (not related to you) such as a teacher, coach, camp director, volunteer coordinator etc., who knows you and your teaching/mentoring ability well enough to evaluate your potential as a future teacher. This referee should be someone who has seen you interact with and relate to children, youth, or adults in a teaching/learning situation.
