

LIST OF FIGURES*

* This document has been amended for submission with Nova Scotia's Phase Two Memorial on August 17, 2001. It is intended to supersede the lists of figures previously submitted with Nova Scotia's Memorials, so as to ensure that the Tribunal has before it a single, comprehensive set of the materials relied on by Nova Scotia in this arbitration. **Figures 32 to 57** as well as **Figures B-1 to B-12** appear for the first time in Nova Scotia's Phase Two Memorial. In the table below, "NSM" means Nova Scotia Memorial, "NSCM" means Nova Scotia Counter-Memorial, "NSO" means Nova Scotia Oral Presentation and "NSM2" means Nova Scotia Phase Two Memorial.
