

***NEW** Educational Administration and Leadership 2-Year Master of Education Face-to-Face cohort offering, starting in Fall 2022.

This cohort offers Face-to-Face (F2F) courses over 2-years. The 1st year will be entirely F2F on the Fredericton campus and the 2nd year will be F2F, with the option to take the courses either online or distant format (as per the discretion of the instructor) but still in the cohort.

The concept is to enable students in their 2nd year to focus on their Capstone research (Year 2, Fall) and then in the final term (Year 2, Winter) to have less of a course load as they ease back into either prior or new career opportunities.

Application Requirements: This cohort is open to both International and domestic applications.
