

## Employment Opportunity

### Graduate Teaching Assistantship (GSTA) Winter term 2026

#### **KIN 2072– Intro to Motor Control & Learning**

Positions available: 1 GSTA position

Hours: 40

Rate of pay: \$29.92 (Masters) / \$31.24 (PhD)

Employment Date: January 5<sup>th</sup> to April 26<sup>th</sup>, 2026

Lab/Tutorial Times (Days & Times): M/W/F 11:30 AM - 12:20 PM

**Course Description:** Introduces the student to the principles of motor skill acquisition and performance as well as the conditions that influence these processes. Topics include information processing, attention, perception, decision-making, motor programs, and feedback. The role of motivation, anxiety, concentration, observational learning and mental practice in motor performance and learning will be examined. Practical applications for sport, physical activity, industry, and the performing arts will be discussed

#### **Responsibilities:**

1. A one-hour TA meeting during the first week of classes to establish the TA schedule, complete required paperwork and all for discussion related to the TA responsibilities for the course.
2. Marking quizzes, invigilating midterms/tests.

#### **Knowledge and Desired Skills:**

1. Due to the one-week turnaround time for assignments, the candidate will have strong time management skills.
2. Strong record keeping abilities to manage lab/tutorial attendance, as well as grades.

#### **To Apply:**

1. Include a current resume
2. Apply to: Dr. Jeremy Noble, Faculty of Kinesiology, UNBF
