

Graduate Student Research Assistant Position

Term: now until June 30, 2024

10 hrs/week-

The successful candidate will work closely with the principal investigator Dr. Tracey Rickards (Faculty of Nursing) to collect and analyze interview data about vaccine hesitancy in Indigenous communities. The candidate must be Indigenous. Much of the work can be done from home, there will also be regular meetings and collaboration with the PI. Eligible candidates from Nursing and/or Sociology should apply.

Applications to be submitted by Feb 16, 2024 to srickar1@unb.ca

According to Article 13.14 of the Collective Agreement, **“This position is covered by the Collective Agreement negotiated between PSAC, on behalf of the Union of Graduate Student Workers (UGSW) Local 60550, and UNB. The University of New Brunswick and the Public Service Alliance of Canada are committed to Employment Equity.”**
